However, she will now be transitioning over to a Practicum Intern Therapist! Selina's experience in mental health and with Insight's team has helped her prepare for this new role as she completes her Master of Arts in Counselling Psychology. Ellaine Mallari

Project and Marketing Development Officer Starting May 8th

Hi everyone! My name is Ellaine and I will be joining the team this summer as a Marketing and Project Development Officer. I am a business student at the University of Alberta going into my third year this fall. During my free time I love to listen to and discover new music and podcasts, so new recommendations are always welcome! I also like to stay active and since it's almost summer I will be going on a lot of bike rides with my friends and family. A fun fact about me is that I prefer matcha over coffee so café recommendations with the best matcha are also welcome!

WELCOME!

Laura Powers

Project and Marketing Development Officer Starting May 8th

Hi, my name is Laura, and I will be a Marketing and Project Development Officer for the summer at Insight! I am a 4th year BBA Co-op Marketing Student from NAIT and will be graduating in December of 2023. In my free time, I enjoy working out with my friends, reading, and watching hockey (Go Oilers!). I also love to travel to different places and am hoping to travel to Europe a bit more in the future.

Olivia Harris

Project and Marketing Development Officer Starting May 8th

My name is Olivia, and I am starting on May 9th as a Marketing and Project Management Officer. This past year, I have gained a big interest in triathlons and have joined the University of Alberta's triathlon club, where I am a student. I am entering my fifth and final year of a Bachelor of Science in Kinesiology this fall. This summer, I am challenging myself to learn how to play tennis and to take advantage of Edmonton's outdoor pools to do a lot of swimming. French is my first language, and I just organized a youth parliament simulation for french speaking youth in Alberta! This was a great experience to get involved in my community and contribute to the current vibrant events cycle.

WELCOME!

Sabrina started at Insight in 2020 as a practicum student before becoming a postgraduate therapist and eventually a Registered Provisional Psychologist! And she is currently completing a graduate certificate in sexual health at the U of A!

Before beginning at Insight, Sabrina worked at a women's domestic violence shelter, as a Probation Officer (for a decade – she old), and at the Centre for Autism Services of Alberta, for 12 years, where she held multiple roles.

In her spare time, she plays soccer and pickleball, coaches Special Olympics, sits as the Board President for the Edmonton Violence Prevention Centre, and she loves spending time with her friends and family. She also has a fascination with all things strange, occult, dark and twisted; and has attended Witch Camp and tarot card classes.
